4. Scope

One Regional award per region and one global award from amongst regional awardees will be granted annually. However, awards may not be granted a given year if no suitable nominations have been submitted.

5. Eligibility

All LMAGs that are in good standing are eligible to receive a Life Member Affinity Group (LMAG) Achievement award. No LMAG is eligible to receive more than one Regional LMAG Achievement Award within a two-year period. No LMAG is eligible to receive the Global LMAG Achievement Award more than one within a three-year period. [Examples: (1) A regional winner of 2021 IEEE LMAG Achievement Award is not eligible for winning the regional 2022 IEEE LMAG Achievement Award; (2) A global winner of 2021 IEEE LMAG Achievement Award is not eligible for winning the global 2022, and 2023 IEEE LMAG Achievement Awards.]

LMAGs chaired by the Jury Members (LMC Awards Committee Chair and Members of the Awards Committee) are not eligible to be considered for this award.

Nominations received after closing date shall be outrightly rejected.

6. Selection Committees

a) Regional Awards Committee

Regional Life Members Affinity Group (LMAG) Achievement Awards Committee (or regional panel of judges) constituted by Regional Life Member Coordinator as Chair and three Life Members in the region, will judge the Nominations received and select one LMAG in the region as winner of the Regional LMAG Achievement Award.

The Regional Awards Committee shall consider the extraordinary contributions of the LMAG to the Life Members in that region. Regional Awards Committee may also consider Web site and Newsletters if any for the regional LMAG winners.

b) Global Award Committee
